The International Cancer Education Conference, hosted by AACE, CPEN and EACE, promises to be an exciting opportunity for you to reach key decision makers and an extremely committed audience of cancer educators. Their combined 400+ members are dedicated to promoting accurate, effective and focused cancer education through advocacy, scientific investigation, development, evaluation and dissemination of information relevant to cancer education. These are the nation's leading specialists in the cancer care, education, research, survivorship and palliative care fields. We hope that you will accept this invitation to come to Clearwater Beach, Florida, and share with us what you are doing in the field of cancer education for communities, healthcare professionals and patients.

Conference attendees are:

- Oncologists
- Primary Care Physicians
- Radiologists
- Surgeons
- Nurses
- Allied Health Professionals
- Social Workers
- Patient/Health Educators
- Medical Anthropologists
- Librarians
- Public Health Professionals

And many other members of the cancer care community!
