## TAMPA INTERNATIONAL

### Tampa International Airport (TPA):

#### PICK-UP LOCATIONS AND SERVICES:

When arriving into the Tampa International Airport (TPA), please be advised that the airport is divided into two (2) sides: **Red** and **Blue**. From there, each side is split up into two quadrants: **Blue 1 Blue 2** and **Red 1 Red 2**

We have four (4) onsite SuperShuttle booths located in each quadrant. Passengers may check in at any one of these booths unless they are using our ExecuCar service in which they will meet their driver in their airline carrier's baggage claim area.

#### Description of each service:

**Shared Ride Van:** This is our most economical means of transportation. Share Ride reservations do not take effect until the guest checks in at any of our SuperShuttle booths. A waiting period of up to 30 minutes may be involved before boarding the shuttle, although average wait time is 15-20 minutes. Passengers will be on a shuttle with other guests traveling in the same direction.

**Exclusive Non-Stop Van:** This is our private van service. Our vans seat up to 8 passengers with luggage. All passengers must arrive off of the same flight in order for us to combine them in an exclusive van. Upon gathering their luggage, the guests will check in at our SuperShuttle booth; please note all members must be present at this time. Per airport regulations, our van drivers are not permitted to wait inside for passengers. Meet and greet service will be provided upon request; there is an additional fee for this service. We will provide non-stop direct service from the Tampa Airport to the travelers' destination.

**ExecuCar:** This is our private car service. Our drivers stand between the bottom of the escalators and luggage belts holding a sign with the passenger's name or group name. We always ask our guests to check in with their driver prior to gathering their luggage. Our sedans seat up to 3 passengers with luggage and our SUVs seat up to 5 passengers with luggage. All passengers must arrive off of the same flight in order for us to combine them in a private vehicle. We will provide non-stop direct service from the Tampa Airport to the travelers' destination.
